COMMEMORATING THE 100TH ANNIVERSARY OF THE FOUNDING OF SOUTHAMPTON HOSPITAL

HON. TIMOTHY H. BISHOP

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2009

Mr. BISHOP of New York. Madam Speaker, I rise today to commemorate an important milestone in the history of public health in the community of Southampton, New York. A century ago this year, a group of committed local doctors and philanthropic citizens founded Southampton Hospital, beginning a tradition of quality, compassionate care that continues today.

In 1908, two Southampton doctors received an emergency call from a woman living on the outskirts of the village. The doctors could not risk moving their patient to the nearest hospital, so they conducted a life-saving operation by kerosene lamp in the woman's attic. This incident crystallized the need for a local health care facility where modern emergency procedures could be performed in safety.

In 1909, Southampton Hospital received a charter from the State of New York and a modest home was acquired to house a dispensary and nurse. Since that time, the hospital facility at Meeting House Lane and Lewis Street has been expanded and augmented with the latest in medical technologies. Its mission to provide the highest standard of health care continues to be sustained by the generous and grateful community.

Today, Southampton Hospital offers a full range of inpatient and outpatient services and is staffed by more than 240 physicians, dentists, and other health professionals. Board-certified emergency physicians staff the hospital every hour of every day. In addition, satellite facilities have been established throughout the South Fork of Long Island to provide services in primary care, radiology, physical therapy and rehabilitation to the broader area.

Madam Speaker, as a native of Southampton, the Hospital is an institution especially close to my heart. Two years ago, the hospital administrators gave me a beautiful drawing depicting the hospital and grounds that I proudly display in my personal office in Washington. I was born at Southampton Hospital, as were my two daughters, and it has served my family well in times of distress and joy. As the hospital enters its second century, I offer its staff and administration my deep thanks and best wishes for the future.

HONORING THE STUDENTS OF THE INSULATE! PROGRAM FOR THEIR CONTRIBUTIONS TO WESTERN NORTH CAROLINA

HON. HEATH SHULER

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2009

Mr. SHULER. Madam Speaker, I rise today to recognize the invaluable contributions of a group of altruistic college students from Warren Wilson College in Asheville, NC. INSULATE! is an ongoing project at Warren Wilson College through which students assist low income home-owners in reducing their utility bills and their carbon footprints by means of weatherization.

As part of the INSULATE! program, students weatherized 5 homes in five days during their Spring Break this year. The students were able to help one 84-year-old retiree who was spending over a third of her income on utilities alone. After the students' intervention, her utility costs have decreased over 20 percent.

Their efforts will be filmed later this year in an attempt to educate and empower those with similar ambitions on how to help reduce their carbon footprint.

The benefits of increased energy efficiency at a national level are immense. As the United States moves towards energy independence and a large-scale reduction of greenhouse gases, efficiency must play a major role. The ultimate goal of the INSULATE! program is ambitious, they seek to improve the lives of those less fortunate on an individualized basis. The potential on a national level is staggering—in Western North Carolina alone there are 44,000 eligible households. For each of these households helped by INSULATE! roughly two tons of carbon dioxide are prevented from escaping into the atmosphere each year.

On behalf of myself, and my constituents, I would like to thank the INSULATE! program for their contribution to meeting America's energy goals and for their assistance to those less fortunate in our community.

TRIBUTE TO MR. JIM SCHMIT

HON. MICHAEL K. SIMPSON

OF IDAHO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2009

Mr. SIMPSON. Madam Speaker, I rise today to pay tribute to the numerous organizers and volunteers of the 2009 Special Olympics

World Winter Games in Idaho. It was because of the hard work and dedication of the volunteers from Idaho and elsewhere and their commitment to Special Olympics that this great event was possible. I would like to recognize one volunteer in particular, Mr. Jim Schmit. Mr. Schmit served as the Chairman of the Games Fundraising Committee, and he did an exemplary job.

The Special Olympics World Winter Games attracted more than 2,000 athletes from nearly 100 countries. It was the largest multi-sport event ever held in the State of Idaho. While my home state was proud to host this prestigious event, we faced many unique challenges along the way. Host sites are typically named four years in advance of the Games, but Special Olympics International awarded the Games to Idaho just 24 months in advance. This left the Fundraising Games Committee with an extremely condensed timeframe in which to raise money and prepare for the event. The Committee faced an even greater challenge created by the difficult economic times that our businesses, corporations, and citizens confronted, which caused donations to charities and non-profits to drop significantly.

Working on an unpaid volunteer basis, Mr. Schmit worked tirelessly with businesses and corporations in Idaho and throughout the country to secure both monetary donations and in-kind donations of food and beverages for the athletes as well as supplies needed to run the events. He coordinated with the state and local governments to obtain assistance from them. In addition, Mr. Schmit worked closely with Senator Craig and me to help us in our efforts to secure federal funding in support of the Games. Faced with such a difficult economic environment, Mr. Schmit and his team were able to raise sufficient funds to put on the hugely successful Games and still have funds left over to donate back to the community.

Madam Speaker, I have had the honor of knowing and working with Mr. Schmit in his position as President of Qwest Idaho for many years. Today, I am honored to commend him for his tremendous work as the Chairman of the Games Fundraising Committee. His commitment and dedication were critical to making the Games such a huge success, and I would like to take this opportunity to recognize him for all of his hard work.

INTRODUCTION OF THE FAMILY AND MEDICAL LEAVE RESTORATION ACT

HON. CAROL SHEA-PORTER

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2009

Ms. SHEA-PORTER. Madam Speaker, I am proud to introduce today the Family and Medical Leave Restoration Act. Since its enactment in 1993, the Family and Medical Leave Act (FMLA) has helped workers and family members to balance the responsibilities of the workplace with their or their family's medical needs. This job protected leave provides workers with the comfort of knowing that their job will be safe while they tend to their health needs, or the health needs of a loved one.

FMLA leave is unpaid leave, but it provides the worker with the basic assurance that their

job will be protected while taking the family or medical leave that they need. Unfortunately, the previous Administration issued new rules regarding the use of FMLA leave that place additional burdens on workers. Workers who find themselves in a position that requires FMLA leave should not have to worry about meeting additional requirements for accessing their FMLA leave.

The Family and Medical Leave Restoration Act will repeal the most restrictive of the new regulations, restoring the common sense—and fair—regulations that were previously in place. It also directs the new Secretary of Labor to revisit and revise other FMLA regulations that were promulgated under her predecessor.

I look forward to working with Secretary Solis—a proven champion for workers' rights—on this issue, and on behalf of the workers of New Hampshire and the nation.

HONORING MELVIN GOINS

HON. NICK J. RAHALL II

OF WEST VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2009

Mr. RAHALL. Madam Speaker, I rise before you today to honor a great West Virginian, Melvin Goins. Like Jimmy Stewart's character in "It's a Wonderful Life," this Friday, surrounded by friends and family and the love and admiration of his community, Melvin Goins will be the richest man in Bramwell—a town noted for the millionaire coal barons who called it home at the turn of the 20th Century.

A phenomenally talented bluegrass musician, Melvin Goins has spent a lifetime making music and gaining fame throughout all of bluegrass country. His photo once graced the cover of *Smithsonian Magazine*. He was named an "Appalachian Treasure" by Morehead State University in 2000, and he was inducted into the "Bluegrass Hall of Fame." But I suspect that the recognition by his hometown of a local boy done well is, to him, the most sublime of all possible honors.

As a youngster, Melvin, along with his brother Ray who passed away in 2007, worked and
